

## *History on our cocktail program*

*Drawing inspiration from iconic art that calls Chicago home, our Fall Cocktail Menu embraces the passion of pieces from artists ranging from Cézanne and Vincent Van Gogh to Alexander Calder and Manet. Feeling inspired yourself? The Art Institute of Chicago, where many of these art works can be found, is just a few steps away...*

## **THE GWEN BEHIND THE GWEN**

Windy City native Gwen Creighton Lux (1908 – 1987) was a pioneer woman sculptor whose custom creations adorn the façades of many famous landmarks, including Radio City Music Hall in New York. Her exterior sculptures for the original McGraw-Hill Building in Chicago inspired the creation of The Gwen, a Luxury Collection Hotel, Chicago, which pays homage to this revolutionary artist and her creative spirit.
